

# 2008 GOVERNOR'S WORKFORCE SUMMIT

*Developing regional strategies for transforming Idaho's workforce development system to meet the needs of Idaho's industry!*

Featuring

## **Hon. C.L. "Butch" Otter** **Governor, State of Idaho**

and keynote speaker

**Ed Morrison**

### **Why You Should Attend:**

- This workshop is a tremendous opportunity to share important dialogue with Idaho's workforce, economic, education and industry leaders and to learn new methods to help us transform our workforce development system, creating a better, stronger Idaho.

### **What You Will Gain:**

- You will learn the disciplines of Strategic Doing and the tools and practices of implementing sector strategies in open networks (designing and executing strategies across organizational and political boundaries).
- You will leave with a clear set of strategic priorities, a map of the strategic process and a concise action plan for implementation designed to create a stronger, more dynamic workforce, capable of meeting the needs of Idaho's economic climate.

### **Who Should Attend:**

- Workforce, economic, education and industry leaders actively engaged in workforce planning efforts.
